TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Lyme in the County of Grafton in said State, qualified to vote in Town affairs,

You are hereby notified to meet at the Laura Barnes School Auditorium in said Lyme on Tuesday the 6th of March next, at ten o'clock in the forenoon to act upon the subjects hereinafter mentioned. The polls will be open at said meeting place until six o'clock in the afternoon for the reception of your ballots.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To see what action the Town will take upon the budget submitted by the Budget Committee.

ARTICLE 3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes for the ensuing year.

ARTICLE 4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any Real Estate acquired through Tax Collector's Deeds.

ARTICLE 5. To see if the Town will authorize \$1,500.00 a year, as compensation for salary and expenses, for a part-time Youth Counselor, to make available an adult to whom law enforcement agencies and school authorities can refer young Lyme people in need of counseling for whom there is, at present, no provision. (Submitted by petition without recommendation of the Budget Committee.)

ARTICLE 6. To see if the Town will authorize the transfer of the unused balance, \$1,512.46 from the Acoustics Reserve, so as to establish a Construction Reserve Fund. (Recommended by the Budget Committee)

ARTICLE 7. To see if the Town will authorize the Selectmen to limit the motor power, and the speed of boats permitted on Post Pond; and otherwise to control their use so as to abate noise and protect the tranquil enjoyment of the recreational facilities of the pond.

ARTICLE 8. To see if the Town will vote to designate the Breck Hill Road as a scenic road.

TOWN WARRANT - 2

ARTICLE 9. To see if the Town will vote to designate the Washburn Hill Road as a scenic road.

ARTICLE 10. To see if the Town will designate the Acorn Hill Road from Lyme Center to the Hardscrabble Road Corner as a scenic road.

ARTICLE 11. To see if the Town will vote to remove the section of road between Ed Webb's and the Goose Pond road (which is a School Bus Route) as a scenic road.

ARTICLE 12. To see if the Town will authorize the Selectmen to fix charges for Town cemetery lots, the minimum charge being \$50.00 per person for residents, and \$1,000.00 for non-residents. Applications for lots shall be made to a Cemetery Commission of three members who shall be appointed by the Selectmen. On recommendation by the Commission the Selectmen may, for good cause, make abatement for burial at lower fees.

ARTICLE 13. To see if the town will authorize the naming of a committee to study the long-term building and other needs of the community, with special reference to the Revenue Sharing Fund.

ARTICLE 14. To see if the Town will authorize the Selectmen and the Planning Board by conjoint action to rewrite provisions of the "Lyme Land Subdivision Regulations" for the purpose of facilitating their interpretation, and their practical and objective administration.

ARTICLE 15. To transact any other business that may legally come before this meeting.

Given under our hands and seals, this 5th day of February, in the year of our Lord Nineteen hundred and seventy-three.

FREDERIC W. KING Selectmen

JOSEPH S. PIAZZA of

ALBERT W. PUSHEE Lyme

A True Copy of Warrant - Attest:

FREDERIC W. KING Selectmen

JOSEPH S. PIAZZA of

ALBERT W. PUSHEE Lyme

REPORT OF POLICE DEPARTMENT

This past year again showed a slight increase in the number of recorded service calls. The Department handled 336 such calls as compared to 304 in 1971. The great majority of these calls do not result in court action and many are not even related to violations of the law. The largest number of our calls pertain to motor vehicles and may be accidents, abandoned vehicles, complaints on operation, requests to verify identification numbers, requests from insurance companies for reports or reports of stolen vehicles. We have also dealt with neighbor and domestic disputes and problems; missing persons; juvenile problems; requests for assistance or information in personal matters; emergency requests for transportation of individuals, the delivery of messages and ambulance calls. We have had complaints of public disturbances, vandalism, larcenies, suspected unlawful entries and requests for checks of vacant homes. We have assisted the departments in Orford and Hanover in mutual aid situations and received aid from them in return. Again in 1972 our patrol activity did not reach our goal of 330 hours due to other commitments of the officers.

Aside from a 10% wage increase and a small estimated increase in required service, the bulk of the rise in the proposed budget is due to a change in time-keeping procedure. It is expected that the new system will more fairly reimburse the officers for the time devoted to police duty than has been the case in the past.

In addition to Constable Herbert I. Perkins who handles all dog complaints, the Department now has 3 regular part-time officers including Robert Morancy, Jr. who was sworn in this past year. We also have a number of other men from this and other departments who are available to assist if necessary.

ANTHONY H. RYAN
Chief of Police

Fires responded to in 1972 - 22

Respectfully submitted

WAYNE R. GOODRICH
Treasurer

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned - 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	33 fires	10 2/3 acres burned
TOWN	2 fires	1/4 acre burned

DISTRICT CHIEF
Gerald S. Gross

FOREST FIRE WARDEN
Harry E. Sanborn

LYME LIBRARY TRUSTEES REPORT

CIRCULATION	Adult		Juvenile		Total	Records
	Fiction	Non-Fiction	Fiction	Non-Fiction		
Lyme Center	265	52	590	40	947	
Lyme Plain	2,965	2,259	7,310	1,824	14,358	240
	<u>3,230</u>	<u>2,311</u>	<u>7,900</u>	<u>1,864</u>	<u>15,305</u>	

Book circulation has continued to increase in the main library this year, as a rough count shows approximately 140 families, about 50% of Lyme families, using the library regularly, in addition to the school library program. Improvements to the library facilities include a new charging desk and additional shelving in the Children's Room. Much needed replacement shelves for the adult non-fiction downstairs will be purchased soon with the help of a very generous gift from the Utility Club. Stackable plastic chairs have been acquired with a donation from the Lyme Mother's Club. Several books have been given as memorials for which the library is very grateful. The school has also made purchases for the children's collection.

In order to make more best-sellers immediately available, the library now subscribes to the McNaughton Plan which is a revolving leasing service of current adult fiction and non-fiction. We also make extensive use of the State Bookmobile with about 1,000 volumes on loan for each 3 to 4-month period.

Slides, filmstrips, and tape cassettes will soon be available for circulation as a result of a \$4,800 grant awarded jointly to the Lyme Library and the Howe Library in Hanover, our service center library, for an audiovisual project. Local material will be preserved on slides and tapes in cooperation with the Lyme Historians and other organizations as part of this effort. An initial collection of several thousand New England slides taken by the late Mildred Taylor of Hanover has been given to the library by Polly and Ruth Whittemore as a memorial.

The main library is open 20 1/2 hours a week when school is in session and 12 hours at other times. Friends of the Library under the leadership of Mary Cornwell continue to staff the library two times a week and assist in the processing and repairing of books. We wish to particularly thank Connie Bergendoff, Nancy Bowden, Luane Cole, Pat Greenwood, Milada Harlow, Marianne Plummer, Jean Smith and Pam Throop as well as Dianne Martz and Nancy Langway who have contributed many hours.

The school program continues to provide a half hour to 45 minutes in the library each week in small groups, with additional research time when possible, as well as library skills training for the 8th grade and film programs. During the summer, movies were alternated with nature activity sessions and a poetry workshop, with help from volunteers in the community.

LIBRARY TRUSTEES REPORT - 2

Book delivery service to the shut-ins has been carried on through the kindness of Gloria Daley.

The Lyme Center Branch Library, in the home of Gladys Gaylord, continues to serve the village residents and the kindergarten. It is open two hours a week with the assistance of Julia Elder. About 20 adult and children's books were given in memory of Alice Cutting who was a devoted librarian. Gladys Gaylord catalogued all the books during the summer. Books were given by Alice Cutting, Gladys Gaylord, Carroll Washburn, the Howe Library and Katherine Wright.

The trustees were pleased to have Dorcas Chaffee, former trustee and librarian, honored with a special award made by the New Hampshire Library Trustees Association in 1972 for her noteworthy contributions to the world of New Hampshire libraries.

LYME HOME HEALTH AGENCY
Annual Committee Report
1972

The Lyme Home Health Agency had an active year in 1972, its fifth as an official agency of the town of Lyme. The Agency was recertified in May by Medicare, which means that the Agency meets national standards for delivery of good comprehensive home nursing care.

Our nurse, Mrs. Roger Jenks, made 585 visits to 178 individuals during the year. Although physical therapy is available to home patients, no visits were made during 1972 by the Therapist under contract with the agency. Of the total of 585 visits, 223 were for direct nursing care, whereas 362 calls were Health Promotional and instructive.

During 1972, three immunization clinics were held jointly with Orford's new Community Health Service. These were held in alternate towns. We hope to continue this sort of cooperation with the Orford Agency in the future.

Mrs. Jenks continues to keep up with current nursing practice. She attended more than 10 nursing workshops and professional meetings during the year.

The Lyme Home Health Committee has sent representatives to meetings of the Tri-Town Resources, the Upper Valley Health Care, the Connecticut Valley Health Compact, New Hampshire Association of Home Health Agencies, the Bi-State Association of Home Health Agencies (N.H. and Vt.) and the National League for Nursing.

Our concern is always to reach all Lyme citizens who may need our services - for disease prevention, health education or information, and for skilled nursing care. Home nursing care can sometimes be an alternative to expensive institutional care. If we can be of help to you or your family please call us. The office in the Library basement is open Tuesdays and Thursdays 9 - 12 (795-2661). Mrs. Talbert Bacon is the clerk. Or call the Nurse, Mrs. Ruth Jenks, at home early in the morning - 795-2176.

LYME RECREATION COMMITTEE
Annual Report for 1972

1972 was a year marked by some successes and many frustrations in the area of activity which is supervised by the Recreation Committee.

The 1971-72 Ford Sayre Ski Program was very successful with nearly 80 youngsters registered in the various classes. These included a class for more proficient skiers in competitive skiing, taught by a former competitive ski racer. Because of a drastic reduction in requests for rental ski equipment the committee has discontinued this service. Those needing rental skis can obtain them from the Hanover Ford Sayre Program.

In spite of the weather the series of band concerts was held as scheduled last summer.

Most of the year's frustrations were caused by the unusual amount of rain which fell last summer. As a result there were several occasions when the entire beach area was flooded, causing some minor damage. More important was the fact that weather made it impossible to hold swimming classes as regularly as desired with a resulting decline in interest and enthusiasm of those taking lessons. Of course, the number of days the beach was used by recreational swimmers was considerably limited.

Wet weather also prevented the anticipated use of the ball field but did help achieve a good grass cover. Current plans call for the field to be made available as soon as weather and ground conditions permit.

The Committee appreciates the support given to their various activities by many interested friends during the past year, and is looking forward to continued interest and participation in the 1973 program.

Respectfully submitted

LYME PLANNING BOARD
Annual Report for 1972

The past year has been a very active one for the Planning Board. We have had regular meetings on a monthly basis to handle as much of the routine work as possible. Since these meetings were held during the evening hours, much of the field work connected with the program had to be conducted at special meetings held for that purpose.

12 Regular meetings
4 Special meetings
7 Public hearings

Steady progress has been made toward the goals set forth in the "Regulations". This has been due, to a large extent, to the cooperation of the people of Lyme, without whose aid and understanding this would be impossible.

Because the members of the Board are unable to give full time to the work, we have requested an appropriation from the Town so that a secretary might be hired to relieve the Recording Secretary of much of the clerical work of that department. This person would not be a Board member.

May we, the members of the Planning Board, thank you, the citizens of Lyme, for all the aid you have given us. Our hope is that time will prove that our decisions made during the past year have been wise and beneficial for the Town of Lyme.

REPORT OF THE CONSERVATION COMMISSION

The past year has had its disappointments and its gains for the Commission. The disappointments should come first.

For two years now we have attempted to provide a simple inexpensive way for the inhabitants to dispose of junk cars. The ideal would be a crusher that could be set up in town and the junks be collected, crushed and removed. However, the only available crusher at that time needed at least one hundred cars guaranteed and our survey in 1971 did not show that number. Early last summer we had an unfortunate experience with a junk dealer who promised to clean up the cars but only stripped them of engines and radiators leaving the shell to plague the property owner. Later in the summer we made an agreement with Mike Batten of Canaan to remove the junks. Despite being haunted by apparatus breakdowns, Mike did remove more than one hundred cars from the River Road and Goose Pond Road areas. We know that many people were disappointed that their cars were not removed but one of our great difficulties was finding areas where junks could be stock-piled for a short time before loading. One of the pressing needs is an out-of-the-way site where junks can be stored year-round for later removal. If anyone knows of a likely spot that might be available, please let us know.

The annual roadside clean-up last spring went off very well and proved that there are still people who are willing to let someone else clean-up after them. One full dump truck load of bottles went to the Re-cycling Center in West Lebanon.

The first Saturday in June was the beginning of re-cycling days in Lyme for papers, bottles and cans. Each month since then we have taken at least a full truck load to West Lebanon thereby saving an appreciable amount of space in the town dump.

Both of these programs are run by volunteers. Contrary to rumor, no one makes a profit from the recycling. We do wish to take this opportunity to thank the many people who have worked on these programs or have given the use of their trucks for the run to West Lebanon.

Through the generosity of several photographers who have given us permission to copy their slides, we now have an excellent collection of slides of the town. Miss Welch would be glad to show them to any group that would like to see them.

After Town Meeting last March Mrs. Vera Burgess agreed to form a sub-committee on scenic roads. This sub-committee consisted of Mrs. Burgess, Fred King, Everett King, Tony Ryan and Richard Jenks. The articles in this year's warrant pertaining to scenic roads are the results of their deliberations. The Commission wishes to thank the members of the sub-committee for their excellent work.

The big event of the year was the acquisition of some property to be administered by the Conservation Commission. This

CONSERVATION COMMISSION REPORT - 2

purchase was made possible by two generous gifts from an anonymous donor. The twenty acres of land are on the south-west end of Post Pond and include a small beach. How the area will be used has not been decided.

The three-year term of three of the original members of the Commission, Larry Goldthwaite, Dan O'Hara and Dick Holmes was finished this year and they did not wish to be re-appointed due to other commitments. The Selectmen have appointed John Grant and Stephen Spencer for three-year terms to fill two of the three positions.

UPPER VALLEY REGIONAL EMERGENCY MEDICAL CARE SERVICE

The Upper Valley Regional Emergency Medical Care Service responded to 344 calls in 1972. Emergency ambulance and medical care service provided for Lyme - numbered - 13 in 1972 and 15 in 1971.

Eleven ambulance attendants are now certified as Emergency Medical Technicians. The Hanover Fire Department also has three full-time first aid instructors certified by the American Red Cross, and three New Hampshire EMT training program instructors. Over 500 citizens have received first aid and rescue training from service personnel. Additional first aid squads now have been established in Lyme and Orford. Training, both of citizens in the service area and of ambulance personnel, will continue in 1973.

The individual receiving service pays a fee of \$35.00. Special arrangements are made for those unable to pay, and many bills are paid by Medicare, Medicaid, or private insurance companies. The administration of the service is provided by the Town of Hanover.

The Towns which participate in the U.V.R.E.M.C.S. are: Bradford, Corinth, Fairlee, Hanover, Lyme, Norwich, Orford, Piermont, Strafford, Thetford, West Fairlee.

SCHOOL DISTRICT WARRANT
The State of New Hampshire

Grafton, S.S.

School District of Lyme

To the inhabitants of the School District of Lyme, in the County of Grafton, and State of New Hampshire qualified to vote in District affairs:

You are hereby notified to meet at the Auditorium of the Lyme School in Lyme, New Hampshire on Saturday, March 3, 1973, at 8:00 o'clock in the evening, to act on the following subjects:

Article 1. To hear the reports of Agents, Auditors, Committees, or other officers heretofore chosen, and pass any vote relating thereto.

Article 2. To choose Agents or Committees in relation to any subjects embraced in this Warrant and fix their salaries.

Article 3. To see if the School District will vote to pay up to and not more than Two Hundred Dollars (\$200.00) above the state average tuition for students attending an approved high school in New Hampshire or Vermont where the tuition is higher than the state average tuition for New Hampshire.

Article 4. To see if the School District will vote to pay an additional Three Hundred Sixty Dollars (\$360.00) above the state average tuition for students attending an approved high school in New Hampshire or Vermont where the tuition is higher than the state average tuition for New Hampshire. (Inserted by petition)

Article 5. To see if the School District will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be paid into a capital reserve fund for expansion of school facilities including expenses related to site acquisition in accordance with R.S.A., Chapter 35.

Article 6. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for School District officials and agents and for the payment of statutory obligations of the District.

Article 7. To see if the School District will elect seven persons to continue a planning committee to advise the School Board with respect to the future educational program and facilities of the Lyme School District, and to assist the School Board in preparing a report upon the committee's work for the next Annual School District Meeting.

SCHOOL DISTRICT WARRANT - March 3 - Page 2

Article 8. To transact any other business that may legally come before this meeting.

Given under our hands and seals at said Lyme this fifteenth day of February, 1973.

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Lyme of which the above is a true summary for the fiscal year ending June 30, 1972 and find them correct in all respects.

STUART V. SMITH
RICHARD H. DeGOOSH
Auditors

LYME SCHOOL BOARD ANNUAL REPORT

During the last year an evaluation of the academic programs of the Lyme School has been undertaken. We are particularly fortunate in having the leadership of our new principal, Mr. Donald Campbell, in this area. In each grade and in each subject consideration is being given to educational objectives and means whereby achievement can be measured. In response to requests by parents a new report card was developed for use in the middle school. The Lyme School Board has been particularly pleased by the attention the staff is devoting to curriculum matters.

In addition to Mr. Campbell, the School Board welcomes the arrival of several new teachers. These include Mrs. Bullard in kindergarten, Mrs. Garrity in Grade 1 and Mr. Liss in mathematics.

During the year the board and the staff have devoted considerable attention to the challenge posed by providing educational opportunities for children with learning problems. In addition there has been attention to methods by which an improved environment for learning could be developed within the Lyme School. These deliberations have given rise to a request for additional funds to be spent for consultative services in learning disabilities as well as for tuition of students to special classes elsewhere when indicated. The board is happy to report that as a result of actions already taken by the school staff, the atmosphere for learning in the Lyme School is considerably improved this year.

The Lyme Board has worked closely with the Lyme School Planning Committee in its efforts to develop recommendations concerning problems which are becoming increasingly important. As a result of state minimum standards for elementary schools the Board will be attempting to improve certain aspects of the school program. It is apparent that some decisions with respect to the future of the middle school program must be made relatively soon.

The board wishes to encourage people in the town to participate in the planning necessary to meet this challenge.

Lyme School Board

REPORT OF LYME SCHOOL DISTRICT PLANNING COMMITTEE

In the spring of 1972, the School Planning Committee submitted a report to the Lyme School Board regarding the curriculum of the 5th through 8th grades. The basic recommendations were:

1. A change in the class system so as to segregate grades 7 and 8 from grades 5 and 6.
2. A change in the grading of students in an attempt to better relate performance to student potential.
3. An upgrading of the physical education program and expansion of the program for creative expression.

These recommendations were discussed in open School Board meetings, and some of them were the basis for modifications in the curriculum.

Since September 1972, the Committee has concerned itself principally with the choice of high schools by students graduating from the Lyme School. Of equal concern has been the future of the Lyme middle school, but it was felt that this matter depended on the future decision regarding high schools and would be considered at a later time in the year. The Committee undertook a study of the high schools in the Lyme area in an attempt to assess the various strengths and weaknesses. This study included Hanover, Hartford, Thetford, Lebanon, and Oxbow. Orford was not evaluated initially because there was uncertainty as to the future of the Orford School. A formal report on the findings of this survey will be submitted to the School Board on February 8, 1973. The survey was undertaken in an attempt to provide the town with useful information which might guide parents in making decisions regarding high school selection for Lyme students. It was hoped that, should a large number of students decide to go to one or more schools, transportation might be made available. It is also the Committee's feeling that the town should gradually assume the cost of student tuition in excess of the present state average in order to allow every student free choice of high school following graduation from Lyme.
